

Christ's Commands for Cross-cultural Church Planting

Acts 10:1 – 11:18

“contextualise”

Three key principles for Biblical contextualisation of the Great Commission

1. All of man's rules may be changed (10:1-33a)
2. None of Christ's orders may be changed (10:33b-48)
3. Every Christian must know the distinction (11:1-18)
